Turn a Stuffed Attic into Cash - Sell Extra Inventory - Find Great Deals!
Healthy East Chicago Is Holding Our Town's Largest Flea Market

(EAST CHICAGO, Ind.) - Healthy East Chicago (HEC) will be holding a Flea Market on Saturday, June 2, from 8:00 a.m. to 2:00 p.m. They will provide outdoor space for up to 40 vendors. If you were planning a garage sale or a sidewalk sale, bring your stuff to HEC instead. You'll find more shoppers and more buyers!

HEC will provide selling space (the equivalent of two parking spaces) to anyone who wants to make extra room in their attic or clean out a basement and turn new or used stuff into cash. Businesses with extra inventory are also invited to set up a stall. The fee for a selling space will be \$25. You must provide your own table and chairs. Food will be sold by HEC, so no space will be provided for hot food vendors.

There is space for up to 40 vendors but registration is going fast, so call today: 219-397-5431. Ask for Yvonne. Proceeds from stall registration will go to help sponsor public health programs at HEC. Se Habla Español!

#
